GAMES YESTERDAY. Cincinnati 9: Cleveland 0.

Chicago, 4; St. Louis, (

GAMES TODAY.

Brooklyn at Washington. Philadelphia at New York. Boston at Baltimore. St. Louis at Pittsburg. Louisville at Cleveland.

The Senators made good on the promised improvement in batting and team work last week and justified the confidence expressed by Manager Irwin that they would round to in a short time and show the stuff they were made of.

The record of the home team for the week-three victories out of five games played-is not only an encouargement to the club itself, but it has served to strengthen the weak-kneed followers of the game in this city who stayed away because of a lack of confidence in the ability of the team to play winning ball, and by doing so missed several good exhibitions

of the national sport.

Among those who were greatly surprised at the playing of the statesmen were the Superhas, who came it town Saturday with the expectation that Wash ston would prove an easy mark, and that the quartette of games scheduled here were as good as wen. Such a good ratherity as Ed Hanlon, since he has gone against the Senators with the all-star aggregation under his command, gives Washington credit of be-ing capable of winning 50 per cent of the ranges played.

games played.

The second meeting of the Irwinites and Hanlonites takes place this afternoon at #20. There is no doubt that the Brooklyns will do everything in their power to prewill do everything in their power to prevent the home team from making it two in a rew at their expense, but as the latter are getting together on team work and liming them out with refreshing regularity there is no telling what may happen.

McFarland may be put into the box by Irwin to have a try at his old associates, while either fluien or Single will be sent to shert, thus allowing Cassidy to go back to his home position at third base.

The Indians were shut out by Chicago in the Windy City vesterday before the greatest crowd that ever assembled to witness a ball game. The Orphans put up a perfect fielding game and hit the ball at the same time the Teb-aultes made errors. Caliahan, who pitched for Chicago, was at his best when St. Louis had men on the bases, pine of his opponents being left on the sacks. The score:

Cleveland Calcimined.

The Reds administered a dose of calcimine to the Forest City club at Cincinnati yesterday. At times both teams indulged in some fast fielding, four double plays being made during the contest. Tay-lor pitched for the Porkopolitans and he'd lor pitched for the Porkopolitans and he'd Cleveland down to six hits, while "Kid" Carsey, who was on the rubber for the latter club, was touched up for fifteen safe drives. The score:

Circinnait 0 1 1 0 1 1 0 5 x-9 15 1 Circland 0 9 0 0 0 0 0 0 0 0 0 6 3 Cieveland 0 9 0 0 0 0 0 0 0 0 0 6 8 3

VALUABLE DOGS POISONED.

Miscreants Throwing Drugged Meat in Highland Falls Kennels.

Highland Falls, May 1 .- Dog poisoners, who have been at work for several weeks, Saturday night scattered drugged meat in the yards and along the streets, and yesterday there were hardly a dozen dogs left alive in the village. The miscreants avoided J. Pierpont Morgan's Croyston kennels. as it was reported that trap guns had been set for them there. That this report was true was shown yesterday afternoon when true was shown yesterday afternoon when a volunteer fireman, fighting flames that threatened the kennels, narrowly escaped being killed by the discharge of two con-
